

NAMI McHenry County is offering Recovery Support Specialist & Family Partnership Professional Internships

What does it mean to be a RSS/FPP intern?

NAMI McHenry County is starting a training program for individuals in need of a volunteer site to help satisfy the 2,000 hours required for one's CRSS/CFPP. We are requesting a 6-month commitment from individuals interested in being an intern in this program. NAMI-MC will provide up to a 15-hour a week per internship. We will be taking on 3 interns.

What opportunities exist?

- Mental Health First Aid Training
- WRAP (Wellness Recovery Action Plan)
- QPR (Question Persuade Refer)
- Shadow and/or Co-facilitate support groups
- Learn how to share your recovery story
- CRSS/CFPP Study Groups
- Clinical group training and supervision

What would I do?

- Work with a RSS/FPP to learn 1:1 technique
- Answer phones and schedule clients for 1:1
- Assist with planning & participating at NAMI Talks-Community Education
- Co-facilitate support groups
